- 198.** Return showing:—1. Whether the Government have taken cognizance of the following article published in the Montreal "Gazette" on November 1, 1915:—"Canadian Help Comes from Sale of Gift Flour. Foodstuffs not Needed by the English Poor were Bought for Belgian Relief.—Funds to Aid East Coast.—Hon. Walter Long Suggested to Canadian Government that \$750,000 be Allotted, and Latter Agreed.—(Special cable from the "Gazette's" resident staff correspondent.)
- "London, October 31.—'Canada's aid to the east coast towns of England, which are suffering through the war, is the subject of some misconception,' said Sir George Perley to-day. In a statement in the Commons, Hon. Walter Long said that the necessary funds for a Government scheme of help for hotel and lodging house keepers had been generously provided by the Canadian Government. This gave rise to the idea that the Dominion was taking a new step, but the fact is that no money is coming from Canada. Of the flour sent by Canada a year ago to relieve distress in England, very little was distributed, as poverty was in no way abnormal. Some 400,000 bags of this flour were transferred to the American committee for Belgian relief, which purchased them. The money paid for this flour being in the hands of the Local Government Board, Hon. Walter Long, as President of the Board, suggested to Sir George Perley that this might be utilized for the relief of the east coast towns where the season had been ruined owing to the lack of railway facilities and the disinclination of the public to visit the east coast because of the possibility of German naval or aerial raids. The Dominion Government acquiesced in this proposal, and the sum of \$750,000, part of the proceeds of the sale of the flour, has now been allotted for this purpose. Canada's generosity will therefore go to alleviate the distress of a large number of better-class people, who are direct sufferers from the war, instead of the destitute poor, for whom it was intended, but who, it develops, were not in need of it." 2. Whether the said article is accurate. If not, in what respect it is inaccurate. Presented March 20, 1916.—*Mr. Papineau*.
Not printed.
- 198a.** Return showing:—1. Whether the Government is aware that the following extract from an article was published on the 12th January, 1915, in the Montreal "Gazette":—
- "Distress Caused in England by War is Negligible.—Comparatively Small Portion of Colonial Gifts Used for National Relief.—Much Went to Belgians.—War Office also took Large Share.—Salvation Army has Scheme Requiring Canadian Co-operation.—(Special cable from the "Gazette's" resident staff correspondent.)
- "London, January 11.—Very satisfactory evidence of the comparative absence in England of any distress caused by the war is furnished by a report on the special work of the Local Government Board arising out of the war, which was issued to-day as a White Paper. The action by Noel Kershaw, dealing with the disposition of the gifts from the Colonies, shows that only a small part of the goods allocated has been required for relieving the distress of civilians.
- "The following is the disposition of the 910,530 bags of flour received from Canada: To the local committees for the relief of distress, 90,474; to the Belgian Refugees Committees, 1,691; transferred to the War Office, 99,760; further offer to the War Office, 200,000; to the Belgian Relief Commission, 443,886; sold, owing to damage, 4,719." 2. Promotions and Appointments contrary to the Provisions of the Civil Service Act.

AUDIT OFFICE, OTTAWA, September 25, 1914.

SIR,—Referring to your expenditure on account of "Salaries of Officers", fiscal year 1914-15, I notice in the May pay-list, promotion of Mr. A. H. Hinds from subdivision "A" of the second division to subdivision "B" of the first division; also, the appointment of Mr. Alphonse Roy to a clerkship in subdivision "B" of the second division, at a salary of \$800 a year.

This office has not received a copy of the certificates of qualification furnished by the Civil Service Commissioners covering this promotion and appointment. Please supply these at your earliest convenience.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Clerk of the Senate.

SESSIONAL PAPER No. 1

AUDIT OFFICE, OTTAWA, November 26, 1914.

SIR,—Let me call your attention to my letter of the 25th September, in which I requested that copies of the certificates of qualification, furnished by the Civil Service Commissioners, covering the promotion of Mr. A. H. Hinds, and the appointment of Mr. Alphonse Roy, be forwarded to this office.

Will you please attend to this matter without further delay.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Clerk of the Senate.

THE SENATE, OTTAWA, November 28, 1914.

SIR,—In answer to your letter of the 26th instant I have to advise you that the matter of the appointment of Mr. A. Roy and the promotion of Mr. A. H. Hinds was submitted to the Civil Service Commission on the 25th of September last, but so far no action has been taken by the commission.

I shall again direct the attention of the commission to your request for the certificates.

I am, sir, your obedient servant,

SAM'L E. ST. O. CHAPLEAU, *Clerk.*

The Auditor General.

AUDIT OFFICE, OTTAWA, November 27, 1914.

SIRS,—The May pay-list of the Senate, 1914-15, contains the promotion of Mr. A. H. Hinds, from subdivision "A" of the second division to subdivision "B" of the first division; also the appointment of Mr. Alphonse Roy, to a clerkship in subdivision "B" of the second division, at a salary of \$800 per annum. Have certificates been furnished for these officials?

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Civil Service Commission.

CIVIL SERVICE COMMISSION, OTTAWA, November 30, 1914.

SIR,—Replying to your letter of the 27th instant, I beg to inform you that no certificates have been issued by the commission in connection with the proposed promotion of Mr. A. H. Hinds from Subdivision "A" of the Second Division to Subdivision "B" of the First Division, and the appointment of Mr. Alphonse Roy to a clerkship in Subdivision "B" of the Second Division on the staff of the Senate.

I am, sir, your obedient servant,

W. FORAN, *Secretary.*

The Auditor General.

AUDIT OFFICE, OTTAWA, January 5, 1915.

SIR.—I have to request that in preparing the January pay-lists for the Senate, that Mr. A. H. Hinds be paid at the rate of \$1,700, the salary he was receiving on May 5, 1914: and further, that the name of Mr. Alphonse Roy, a clerk in Subdivision "B" of the Second Division, be left off the pay-list. The certificates of the Civil Service Commission, for this proposed promotion and appointment, have not been received.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Clerk of the Senate.

THE SENATE, OTTAWA, January 13, 1915.

SIR.—I have to acknowledge the receipt of your letter of the 5th instant respecting the promotion of Mr. A. H. Hinds and the appointment of Mr. A. Roy.

I am again urging upon the Civil Service Commission your wishes in this matter, pointing out that the applications for these certificates have been in their hands since the 30th September last.

With reference to your suggestion that I should correct the pay-lists for this month and make the salaries of those two clerks what they were previous to their respective appointment and promotion should the certificates of qualification in their cases be not procured from the Civil Service Commission, I would invite your attention to the adoption of a resolution by the Senate, as shown at page 374 of its Journals, in 1910, said resolution being found in paragraph 4 of a report of one of its committees at page 252 of said Journals, which will explain why I cannot comply with your request.

I am, sir, your obedient servant,

SAM'L E. ST. O. CHAPLEAU, *Clerk.*

The Auditor General.

AUDIT OFFICE, OTTAWA, January 25, 1915.

SIR.—I have to acknowledge receipt of your letter of the 13th instant, with further reference to the promotion of Mr. A. H. Hinds, and the appointment of Mr. A. Roy.

In a recent letter on this subject I requested that the pay-list for January should be corrected to make the salaries of the above mentioned clerks what they were previous to their respective appointment and promotion, unless certificates of qualification were procured in the meantime from the Civil Service Commissioners.

In reply you say this request cannot be complied with and quote paragraph 4 of a report of one of the committees in the Journals of the House, page 252, 1910, as follows:—

SESSIONAL PAPER No. 1

"Resolved, That it is the duty of all officers or servants of the Senate to obey all orders of the Senate, and refuse to recognize or obey any authority not constituted or authorized by the Senate, and any infraction of this resolution would constitute a serious breach of duty."

The Civil Service Act, chapter 15, sections 13 and 18, referring to appointments, and section 21, to promotions, makes it quite clear that certificates of qualification must be furnished by the Civil Service Commissioners, to permanent clerks of the Senate, before appointments and promotions can be made. The resolution above referred to could not possibly set aside an Act of Parliament, consequently, I consider that your duty would be to carry out the provisions of the Act.

Might I suggest that in future, in connection with any appointment or promotion in the permanent staff, that certificates of qualification issued by the Civil Service Commission be printed in the Journals of the Senate with the recommendation for the said appointment or promotion. This is the method followed in the House of Commons, and is found very satisfactory.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Clerk of the Senate.

AUDIT OFFICE, OTTAWA, February 6, 1915.

SIR,—The Senate promoted one of its staff without having received the certificate of the Civil Service Commission.

A messenger was appointed to the clerical staff without a certificate of the Civil Service Commission.

Both these actions were illegal, and I have written the Clerk of the Senate asking him to withhold payment of their salaries, but he replied referring me to a resolution of the Senate requiring its officers to obey the instructions of the Senate.

The salaries are paid out of their Letter of Credit, and I have no means of preventing the payments. The only action I can take is to report the irregularity to you and ask you to withhold the credit, but I do not wish to precipitate a conflict between you and the Senate.

On a previous occasion when a somewhat similar situation arose, your predecessor remonstrated with the Speaker of the Senate and eventually the matter was settled by the Treasury Board reducing the estimates, after which the matter was amicably arranged.

I think a conference between yourself and Mr. Speaker would settle the matter.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Minister of Finance.

AUDIT OFFICE, OTTAWA, July 7, 1915.

SIR,—The April pay-lists of salaries for Senate contain the following appointments: Miss K. C. O'Brien, as stenographer, from 12th of April, at \$900 per annum; C. H. Larose, as door-keeper, from the 12th of April, at \$900 per annum. No certificate has been received from the Civil Service Commissioners for either of these appointments. Kindly let me have your authority for making the appointments.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Clerk of the Senate.

THE SENATE, OTTAWA, July 16, 1915.

SIR,—Let me acknowledge the receipt of your letter of the 7th instant with reference to the appointment to the Senate staff of Miss K. C. O'Brien as stenographer, and C. H. Larose as door-keeper of the Senate.

These appointments were made by the Senate on April 12 on the adoption of a report of the Committee on Internal Economy and Contingent Accounts, and on the recommendation of the Speaker. See pages 452, 458, and 469 of the Senate Minutes for the Session of 1915, copies of which are herewith enclosed.

I am, sir, your obedient servant,

J. C. YOUNG, *Deputy Clerk.*

The Auditor General.

AUDIT OFFICE, OTTAWA, July 20, 1915.

SIR,—I beg to acknowledge receipt of your letter of the 16th instant, with reference to the appointment of Miss K. C. O'Brien, as stenographer, and Mr. C. H. Larose, as door-keeper.

In reply, I may say that the adoption of a report of the Committee on Internal Economy by a resolution of the Senate cannot over-ride the provisions of the Civil Service Act, and both of these persons must have a certificate from the Civil Service Commission before any appointment can be made. You will therefore not make any further payments to these persons until certificates of qualifications have been issued by the Commission.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Clerk of the Senate.

6 GEORGE V, A. 1916

AUDITOR GENERAL'S OFFICE, OTTAWA, March 30, 1915.

SIR,—With reference to your application of the 27th instant for a cheque of \$100,044 in favour of Canadian Vickers, Limited, being third instalment on the construction of hopper dredge No. 16. I beg to point out that, so far as I am aware, neither the first nor second instalment has yet been paid.

If these instalments have not been paid it seems to me your reasons for asking for the payment of the third instalment should be sent me.

There are certain provisions in the contract with reference to the rate of wages and the payment thereof, and also with reference to insurance, and I should like to know the steps the department has taken to ascertain if these provisions are enforced.

I am holding your application until I hear from you.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *for A.G.*

Deputy Minister of Marine and Fisheries.

DEPT. OF MARINE AND FISHERIES, OTTAWA, April 6, 1915.

SIR,—I have to acknowledge the receipt of your letter of the 30th ult. in regard to our application for a cheque of \$100,044 in favour of Canadian Vickers, Limited, being the third instalment on construction of hopper dredge No. 16, and, as requested, beg to submit the following explanation:—

The contract for this vessel was placed with Messrs. The Canadian Vickers on the 27th October, 1914.

Considerable progress was made by the contractors with preliminary work up till the middle of December, about which time the Montreal works of the builders were taken over by the Imperial Authorities for the construction and completion of certain contracts.

All work then accomplished on the dredge was dismantled and the contract suspended, in so far as the Montreal works were concerned.

Work on the propelling and dredging machinery which is being supplied by Messrs. William Simons & Company, Renfrew, Scotland, under separate contract with the Messrs. Vickers has, however, been maintained and good progress made, and it is upon the latter part of the construction that the third instalment is being claimed by the Messrs. Vickers.

For the reason above stated it will be seen by reference to the Articles of Agreement that instalment No. 1 dealing with ship construction could not be claimed. Instalment No. 2 *re* Messrs. Simons' part, and covering patterns for machinery and dredging gear, is not sufficiently advanced, as one or two patterns in connection with the latter are not yet completed.

Instalment No. 3, however, covering machinery progress undertaken by the Messrs. Simons has been earned to the extent of 12 per cent, the Messrs. Vickers who are constructing the boilers in Montreal being unable to make progress with the remaining 3 per cent until the works are relieved by the Imperial Authorities.

The suspension of work on this contract has been brought to the attention of the department, and an extension of the delivery date granted.

As the work covered by this claim is being undertaken in Scotland, the fair-wage schedule, mentioned in the Articles of Agreement and noted by the Auditor General, does not seem to apply.

* SESSIONAL PAPER No. 1

With regard to insurance, policies for £50,460 (fifty thousand four hundred and sixty pounds) in favour of the department, and covering machinery and dredging gear have been deposited with the department in accordance with the stipulations in the Articles of Agreement.

I am, sir, your obedient servant,

A. JOHNSTON, D.M.

The Auditor General.

AUDITOR GENERAL'S OFFICE, OTTAWA, April 13, 1915.

SIR,—With further reference to your application of the 27th ultimo for a cheque in favour of Canadian Vickers, Limited, for \$100,044, being portion of the third instalment provided in their contract for the construction of a hopper dredge, I beg to inform you that according to my reading of the contract the payment you ask for is not legally due.

Under clause 11 of the contract for the construction of the dredge the payment of the contract price (\$833,700) has been provided for in twelve instalments, in the order of first, second, third, etc., etc., and as I interpret this clause the payments thus provided become legally due in the order inserted in the contract.

In view, therefore, of the fact that the necessary progress has not been made in the construction of the dredge to justify payment of the first and second instalments, I cannot see my way clear to certify to the payment, even a partial one, of the third instalment.

I return herewith your application and the contract sent me.

I am, sir, your obedient servant,

J. FRASER, A.G.

Deputy Minister of Marine and Fisheries, Ottawa.

Note by A.G.—The sum asked for was paid subsequently under authority of an Order in Council dated April 29, 1915.

AUDITOR GENERAL'S OFFICE, OTTAWA, December 12, 1914.

SIR,—I beg to bring to your notice cheque 4519A of the fiscal year 1913-14 for \$4,500 drawn in favour of W. F. O'Connor for Estate of Albert Gates.

This amount was voted as a compassionate allowance to the widow and children of the late Albert Gates, who was killed as the result of a gas explosion at Halifax quay.

It seems to me that according to the terms of the vote the cheque should have been made payable to "the widow and children of the late Albert Gates" and not in favour of the Estate.

Please let me have the evidence which you have received from Mr. O'Connor that the amount voted has been disbursed in accordance with the vote and the expressed intention of Parliament.

I am, sir, your obedient servant,

J. FRASER, A.G.

Deputy Minister of Marine and Fisheries.

6 GEORGE V, A. 1916

DEPT. OF MARINE AND FISHERIES, OTTAWA, December 19, 1914.

SIR,—I beg to acknowledge the receipt of your letter of the 12th inst. regarding the payment made by cheque A4519 for \$4,500, drawn in favour of W. F. O'Connor for Estate of Albert Gates.

In reply I have to inform you that necessary steps are being taken to obtain the desired information.

I am, sir, your obedient servant,

C. STANTON, *Asst. D.M.*

The Auditor General, Ottawa.

DEPT. OF MARINE AND FISHERIES, OTTAWA, December 28, 1914.

SIR,—With further reference to your letter of the 12th inst. in regard to the manner in which the money voted for compassionate allowance to the widow and children of the late Albert Gates was used, I beg to state that payment made to Mr. W. F. O'Connor, administrator for family of the deceased, was authorized by Order in Council of the 19th July last.

I may add that from inquiry made by the department for the purpose of ascertaining if money voted by Parliament for this allowance had been applied as directed, the information was elicited that the money was used solely for the benefit of widow and children of the late Albert Gates, in accordance with intention of Parliament.

I am, sir, your obedient servant,

A. JOHNSTON, *D.M.*

The Auditor General, Ottawa.
